

Man. Hort. Society -  
13 Nov. 90

My dear Sir -

In my haste  
in taking the name  
of Curator of Botanic  
Garden from last  
Alumni Catalogue I  
copied ~~wrote~~ the name of  
the distinguished  
Curator Thomas Nuttall,  
when I intended to  
address the present  
Curator, not knowing  
that Prof. Goodale  
now held the office.

I sent a note last  
evening ~~there~~, which you  
will oblige me by opening  
for Prof. Goodale, as I

have since learned he is  
away, & endeavoring  
to arrive -

Yrs. truly

Samuel W. Johnson  
for Gov. or Pres. & Chairman

Prof. Lewis Watson.

Peritly Prof. Watson  
would address the Hort. Society  
himself upon some Botani-  
cal subject, as requested.
